OFFICE OF THE
THIRD MEMBER OF COUNCIL

No. 8179.

Through the Financial Secretary to Government and the General Secretary.

No. D. 1561

PUBLIC WORKS SECRETARIAT.

Letter No.2240 dated the 17th April 1931 from the Superintending Engineer, Mysore Circle, regarding the transfer of the P.W. Sub-Division Office building at Nagamangala to the Agricultural Department.

Submitted to the Third Member of Council.

2. The P.W.Sub-Division Office building at Nagamangala, which was constructed at a cost of Rs.1,924, had been temporarily given to the Agricultural Department for the location of the Veterinary Hospital since July 1917, and it was permanently transferred to that department in 1928 in accordance with the orders of Government on this office note No.D.1617 dated the 11th June 1928. The Superintending Engineer solicits orders as to whether the cost is to be recovered from the local bodies as the building is practically for their use. It is also reported that the local bodies are not agreeable to bear their share of the maintenance charges on the ground that the original cost of construction was not borne by them.

3. Under Article 144 A. of the Mysore P.W.Account Code, the cost of construction

GENERAL SECRETARY

and repairs of Veterinary Hospitals has to be borne by the State and the local bodies equally. Article 487 also lays down that, in the case of transfer of buildings between State and local and other funds and vice versa, the cost of the buildings will, as a general rule, be recovered. In view of these, the share of cost of construction and the maintenance charges due from the local bodies will have to be recovered, and there is no justification for waiving these charges.

4. If approved, orders will issue accordingly.

This is reported that the Local Bodies are not agreeable to bear their share of the maintenance charges of the building, on the ground that the cost of the original building was not borne by them. The building was constructed by the P.W.D & they all along been used for the Vet-Hospital. It has now been permanently transferred to the Vet. Dept & the P.W.D want the Local Bodies to bear their shares of the construction & maintenance charges. The file about the opening of the Dispensary is not available & is not known what arrangements were made for bearing the contributions
